WORLD SKATE ACADEMY: SPEED

As announced in Bulletin#02, we are pleased to provide you with the new information about the World Skate Academy for Speed Coaches.

The Online Courses will be held through the [new World Skate Academy platform](#).

COACHES COURSE LEVELS

The World Skate Academy will be training Coaches at all levels with the objective of developing the sport worldwide and increasing the level of competitions to the highest.

As indicated in the previous Bulletin, this year, there will be lessons for Coaches Level 1, Level 2 and Level 3.

Lessons are open to everyone.

The complete program is divided into 3 (three) levels.

Only the coaches appointed by their National Federations and approved by the Technical Commission to complete the process as World Skate Coach, after passing the relevant exams and completing the 3 levels, will be officially recognized as World Skate Coaches (namely **WSK Coaches**).

These coaches should have the possibility to present courses at national level, in their own country, with the material provided by World Skate.

Level 1: National Federations are allowed to register an unlimited number of coaches but only **5 (five)** of them will officially start the process as a **World Skate Coach**.

Level 2: National Federations are allowed to register an unlimited number of coaches but only the **5 (five)** coaches who already obtained the Certificate of Level 1 will officially continue the process as a **World Skate Coach**.

Level 3: National Federations are allowed to register an unlimited number of coaches but only the **5 (five)** coaches who already obtained the Certificate of Level 2 will officially continue the process as a **World Skate Coach**.

Please find below the form to be filled-in with all the information of the Coaches proposed for Level 1: <https://forms.gle/TyZJjWJvNJxD69jdA>

The deadline to propose the Coaches will be 22nd October 2023.

At the end of each Level, there are Assessment Tests for Level 1 and 2 and Final Exams for Level 3 dates are also forthcoming.

Level 3 Coaches will have the opportunity to graduate as *International WSK Coaches*. Those participants having satisfactorily approved the Final Exam will be granted with such a distinction and will have privileges such as:

- A World Skate International Coach Card.
- The possibility to present courses at national level, in their own country, with the material provided by World Skate.
- The opportunity to become an Academy World Skate Lecturer.
- Discount in World Skate Seminars fee.

- The possibility to collect ideas to be proposed to the Technical Commission to improve the speed regulations.

All lessons are pre-recorded and the Participants will be able to attend them on the days and times of their choice, during the 4 weeks. All lessons will be available in English and Spanish only.

For each lesson, you will have access to a section called “Discussion” in which you will be able to share your doubts, comments and questions regarding the lesson you are watching.
